- It's clean, family fun. Members can bring their children
- Our club has picnics, cookouts, holiday parties
- We participate in community service activities and food drives
- It's not the square dancing from old times
- It's set to modern music; western, pop, and even rock
- It's not the square dancing you might have done in school
- It's great exercise for the body and mind
- You don't have to know how to dance - we'll teach you
- It's not loud & rowdy like in the dance halls (though we do have loads of fun)
- Share this invitation with friends and neighbors
